5 WRITING ACTIVITIES FOR 2018

Littlescribe unlocks learning from the classroom and brings it to life. Our FREE platform transforms handwritten, illustrated pages and creates digital and for "real life books." Our FREE activities inspire and reinforce writing with purpose for primary school students.

Emoji

Students create an original emoji that communicates a feeling or emotion. Students must illustrate and describe the emoji and embed into their story. Multiple emojis can be used in the story.

Start Date 16 Apr 2018
Closing Date 10 Jul 2018

Dreamtime

Students create their own interpretation of an Australian Aboriginal Dreamtime story. Littlescribe will provide online material to encourage and inspire and we encourage accessing others sources. The Dreamtime story must include a hidden message and moral to the story.

Start Date 16 Jul 2018
Closing Date 30 Sept 2018

Co-Author

Students have the opportunity to engage with a professional "for real life" published author and co-write a book. The author will write the beginning and students will complete the story.

Start Date 1 Oct 2018
Closing Date 7 Dec 2018

Comic Book

Students create a comic book or graphic novel. The character/s, illustration and themes must be original and the creation of the author. It can be based around a class topic, theme or author.

Start Date 16 April 2018
Closing Date 23 Nov 2018

Free Choice

Students create a short imaginative, informative or persuasive book using their growing knowledge of text structures and language features. The student should choose and consider their audience.

Start Date 16 April 2018
Closing Date 23 Nov 2018

Littlescribe helps students understand the process of planning, drafting and publishing a book.
Note: Students can write and submit a story individually or in groups.
Books must be 12 pages
